

State wise status of cases of crime against women

In the year 2011, a total of 8,64,268 cases of crime against women were slated for trial across India, an increase of seven per cent over 2010.

Of the total cases that went on trial, 1,12,368 cases, trials were completed, i.e. three per cent of the cases that went on trial. In 2010, trial was completed in 13 per cent of the cases. The same is true for 2009 as well. The total number of cases pending in courts also increased consistently from 7,52,495 in 2009 to 8,08,343 in 2010, an increase of seven per cent.

Among the states, West Bengal has the highest number of cases pending (96 per cent). Nagaland has the lowest number of cases pending (52 per cent). Uttar Pradesh has the highest number of cases where trial has been completed, followed by Madhya Pradesh and Andhra Pradesh.

With regards to withdrawn cases, Andhra Pradesh has the highest number with 7 per cent.
